

## **GerrieForum 2018**

Leaders are there to guide us, to correct us and lead us.

Congratulations to all the GerrieForum learners of 2018 and we hope to see a massive change. Mr Treeby says, " I expect good leadership skills and more help at assembly time."

So we have high expectations from the GerrieForum learners and hope that they improve and display their leadership skills with a sense of pride and passion!
