

“It’s the Girls with the HOCKEY Stick!”

The drudgery dodging with the hockey stick, the sly dragging of the ball, preying on the opponent and GOAL!!! “It was a tough yet a persisting season!” said Mrs Robbertse ,the Head coach for girls hockey. The endurance of the harsh exhaustion was finally paid off for all the hockey girls, when they relentlessly managed to remain in the 3rd overall position in the second medium, from all seven schools. The schools that were part of Gerries hockey league this season were: Curro Hazeldean ,Willowridge , Woodhill, FH Odendaal ,Uitsig and Die Wilgers. The girls were tenacious in prioritising their goals and obtained flabbergasting results by competing with one of the best schools! We are indeed tremendously proud of all the hockey girls for their ceaseless performance and diligence.
