3. **MAAK MY 'N MILJOENÊR / MAKE ME A MILLIONAIRE**

Hoërskool Gerrit Maritz bemagtig hul entrepreneurs.

Hoërskool Gerrit Maritz het op 8 Maart gereël dat Albert van Wyk, 'n eiendomsbelegger, entrepreneur en skrywer van die topverkoperboek "Hoe om 'n miljoenêr op 22" te word, met ons leerders kom gesels.

Albert, 'n 30-jarige entrepreneur van Pretoria, het sy eerste miljoen gemaak op die ouderdom van 22. Hy het met die leerders kom gesels en sy lewensverhaal oor entrepreneurskap gedeel om die leerders te bemagtig en aan te moedig om ook entrepreneurs te word en hul eie besighede te begin. Albert het ook die leerders genooi om aan die tweede seisoen van die "Maak my 'n miljoenêr" Entrepreneur van die Jaar-kompetisie deel te neem.

Die "Maak my 'n miljoenêr" Entrepreneur van die Jaar-kompetisie is 'n inisiatief van Albert van Wyk, in samewerking met ATKV en Afrikaansdotcom. Die doel van hierdie kompetisie is om entrepreneurskap in ons land te bevorder, want entrepreneurskap is die toekoms van SA.

Leerders met besighede kan aan hierdie kompetisie deelneem waar hulle dan mentorskap en leiding van Albert self sowel as ander suksesvolle entrepreneurs ontvang. Hoërskool Gerrit Maritz sien uit daarna om te sien hoeveel van hul leerders met hul innoverende besighede vir vanjaar se kompetisie gaan inskryf met die hoop om die trofee vir entrepreneur van die jaar te wen.

Albert van Wyk is op soek na die Hoërskool Entrepreneur wat hy kan mentor om in sy voetspore te volg en ook 'n miljoenêr te word. Is hierdie entrepreneur by Hoërskool Gerrit Maritz?

Vir meer inligting oor die kompetisie, besoek www.millionaireat22.com of kyk na verlede jaar se seisoen by: <https://www.youtube.com/@millionaireat22>. Inskrywings sluit **24 Maart**.

Hoërskool Gerrit Maritz empowers their entrepreneurs.

On March 8, our school arranged for Albert van Wyk, a real estate investor, entrepreneur and author of the best-selling book "How to become a Millionaire at 22", to come and talk to our learners.

Albert, a 30-year-old entrepreneur from Pretoria, made his first million at the age of 22. He came to talk to the learners and shared his life story about entrepreneurship to empower and encourage the learners to also become entrepreneurs and start their own businesses. Albert also invited the learners to participate in the second season of the "Make Me a Millionaire" Entrepreneur of the Year competition.

The "Make Me a Millionaire" Entrepreneur of the Year competition is an initiative from Albert van Wyk in collaboration with ATKV and Afrikaansdotcom. The aim of this competition is to promote entrepreneurship in our country because entrepreneurship is the future of SA.

Learners with businesses can participate in this competition where they then receive mentorship and guidance from Albert himself as well as other successful entrepreneurs. Hoërskool Gerrit Maritz is looking forward to seeing how many of our learners will enter this year's competition with their innovative businesses with the hope of winning the trophy for entrepreneur of the year.

Albert van Wyk is looking for the High School Entrepreneur that he can mentor to follow in his footsteps and also become a millionaire. Is this entrepreneur at Hoërskool Gerrit Maritz?

*For more information on the contest, visit www.millionaireat22.com or watch last year's season at: <https://www.youtube.com/@millionaireat22>. Entries close **March 24**.*

5. SOSIALE MEDIA

Ouers word versoek om enige probleme wat die skool raak, te rapporteer deur 'n e-pos aan admin@gerries.co.za te stuur. Berigte word op sosiale media geplaas, kommentaar word gelewer en dit plaas die skool se beeld in 'n slegte lig. Kommunikeer dus eerder direk met die skool voor u enige uitlatings op sosiale media maak. U moet ook asseblief in gedagte hou dat beskuldigings, ens. ernstige nagevolge dra. U loop ook die risiko om van naamskending beskuldig te word indien die inligting nie akkuraat is nie.

Verder wil ons Gerries ook onder u aandag bring dat ons slegs **EEN** Facebook-blad het, [Hoërskool Gerrit Maritz Amptelik](#). Indien u kennis neem van 'n ander blad wat geskep is onder die skool se naam, stel asseblief die skool dadelik in kennis.

SOCIAL MEDIA

Parents are requested to report any problems affecting the school by sending an email to admin@gerries.co.za. Reports are posted on social media; comments are made, and this puts the school's image in a bad light. So instead, communicate directly with the school before making any statements on social media. Please also keep in mind that accusations, etc. have serious consequences. You also run the risk of being accused of defamation if the information is not accurate.

*Furthermore, we Gerries also want to bring to your attention that we only have **ONE** Facebook page, [Hoërskool Gerrit Maritz Amptelik](#). If you become aware of a different page that has been created under the school's name, please notify the school immediately.*

6. NB! WHATSAPP- GROEPE / NB! WHATSAPP GROUPS

Dit het onder ons aandag gekom dat leerders (veral in graad 8) WhatsApp-groepe stig om sodoende mekaar te herinner aan huiswerk, ens. Hierdie groepe is **NIE DEEL VAN DIE SKOOL SE KOMMUNIKASIESTELSEL NIE**. Enige kommunikasie aan ouers sal deur middel van die nuusbrieff, D6, SMS of die skool se amptelike Whatsapp- groepe plaasvind. Daar is ook gereeld navrae vanaf ouers dat die onderwysers groepe stig om daaglik die huiswerk te stuur. Ons vra u dus die volgende: U kind moet in die hoërskool self verantwoordelikheid neem vir sy/haar huiswerk, take, ens. Dit is deel van hul ontwikkeling en help om hulle te vorm vir die wêreld daar buite. Hoe vinniger ouers nie daaglik die takies vir leerders doen nie, hoe vinniger sal hul leer om die verantwoordelikheid, en moontlike nagevolge, te dra. Geen personeellid kan daaglik boodskappe aan ouers stuur rakende huiswerk nie.

*It has come to our attention that learners (especially in grade 8) are setting up WhatsApp groups to remind each other about homework, etc. These groups are **NOT PART OF THE SCHOOL'S COMMUNICATION SYSTEM**. Any communication to parents will take place via the newsletter, D6, SMS or the school's official WhatsApp groups. There are also frequent inquiries from parents that the teachers form groups to send the homework daily. We therefore ask you the following: Your child must take responsibility for his/her homework, tasks, etc. in high school. It is part of their development and helps shape them for the world out there. The sooner parents do not do the chores for learners daily, the sooner they will learn to accept the responsibility, and possible consequences. No teacher can send daily messages to parents regarding homework.*

7. ONDERWYSER PRESTASIES / TEACHER ACHIEVEMENTS

Baie geluk aan **Juf. J. de Wet** wat as uitnemende Gerrie aangewys is danksy die ekstra myl wat sy vir die skool gestap het.

*Congratulations to **Mrs. J. de Wet** who was named outstanding Gerrie for the extra effort she makes for the school.*

U as ouer moet asseblief seker maak dat u kind/ers **ELKE DAG** hul **ROOSTER** en **TOEGANGSKAARTE** by die skool het sodat kontrole ordentlik gedoen kan word. Indien die bogenoemde nie by die skool is nie, sal daar streng teen die leerders opgetree word.

*The learners received new timetables on which their **SUPERVISING TEACHERS** were indicated. As a parent, please make sure that your child/ren have their **TIMETABLE** and **ACCESS CARDS** at school **EVERY DAY** so that checks can be done properly. If the above is not at school, strict action will be taken against the learners.*
