*Congratulations to **Keabetswe Mathabatha** who has been selected as one of the 50 finalists who will participate in the "Make me a millionaire" competition. Good luck!*

Gerrit Maritz High School may have a next Millionaire.

One of our learners, Keabetswe Mathabatha, is in the TOP 50 of the "Make Me a Millionaire" Entrepreneur of the Year competition!

The "Maak My 'n Miljoenêr" Entrepreneur of the Year competition is an initiative from Albert van Wyk in collaboration with ATKV, Atterbury Property, Akademia, Bovest Wealth Management, Afrikaansdotcom and the MOS initiatief. The aim of this competition is to promote entrepreneurship in South Africa.

Learners with businesses were able to participate in this competition where they received mentorship and guidance from Albert as well as other successful entrepreneurs.

Earlier this year, Albert visited 40 schools and spoke to more than 42,000 learners. The Top50 has now been selected for the next round. These Top50 are currently receiving personal mentoring from Albert entrepreneur workshops that are getting the word out.

Keabetswe has been selected to be part of the Top50 in this year's competition. This is already a great achievement because she was chosen from 125 other entries. We are excited to see how this learner will do and represent Gerrit Maritz High School in this season of the "Maak My 'n Miljoenêr" Entrepreneur of the Year competition. She is now one step closer to the entrepreneur of the year 2023 trophy.

The Top50 have two workshops they must attend before they have to face the Brandbank session. The Brandbank session takes place in the June holidays. We are positive about Kea's participation and are happy to support her journey to this year's trophy.

For more information on the contest, check out www.millionaireat22.com or watch last year's lineup at: <https://www.youtube.com/@millionaireat22>. The series will also broadcast on ViaTv channel 147 on Wednesday evenings at 19:30 from 9 August 2023.
